

GFM Secondary Phase Half Term Autumn Newsletter 2022

Thank you

We continue to be proud of everything that our young people and community are achieving.

We are committed to supporting our students to achieving their very best and to advocate for their voice.

There has been so much to celebrate again this half term.

We would like to thank you for your continued support as we look ahead to the rest of term.

Building our Community Together

A culture of kindness is the way forward.

After half term, we launch our new behaviour principles statement which is an outcome of work with staff and young leaders. The principles focus on positive kind relationships and will roll out through assemblies, tutor time and lessons. It will give a student's eye to how we treat each other - including the benefits and challenges of friendship, social media and how we self-care for physical and mental health. 'We value, respect and celebrate behaviours for all to be happy, to learn and to be treated fairly and respectfully. To model the GFM Way; kindness, care and high challenge, and place high value on mutually respectful, supportive relationships.'

New Student Headship and Prefect Teams

This term we welcome a new team from Year 11.

A warm welcome to the new student headship teams. We are excited to see what positive changes they make to GFM schools.
