EAL Parent/Carer drop in session

When: Tuesday 21st March 4:00pm - 5:00pm

**Where: The Gosport Community Hub - Brune Park School,
Military Road, Gosport PO12 3BX**

This session will focus on helping members of our EAL community think about life outside/after school.

The EAL team will be here to discuss any questions or worries you may have about how our EAL learners are supported in school and will provide ways in which you can help develop language skills outside of the classroom. This session will give advice to both students and parents/carers who are thinking about life outside of school.

There will then be an opportunity to meet with other families and share any ideas, experiences or just to have a chat!

These sessions are open to all families in the Gosport and Fareham area regardless of whether or not they have a child who attends a GFM school.

Light refreshments will be provided. No booking is required.
