COMMUNITY SCHOOL

Brune Park End of Spring Term Newsletter 2023

GFM

Message from Headteacher

What a term! We have been pleased to welcome so many of you to a variety of events in school.

These have included Biscuit and Read; Guided Choices Evening for Y9; Year 8 Open Morning; Questions with the Executive Team; Tea and Cake with the Headship Team and Year 7 Open Evenings.

We love having the opportunity for you to come into school to explore our learning journey. I, personally, have really enjoyed meeting parents and I continue to be very proud and grateful for the community we belong to. We would like everyone in our community to be happy, successful and safe.

To start the next term in a positive way, all learners will be having an extended tutor morning on 18 April. They will be learning about our focus on *Getting it Right* and recognising *Excellence* and *Above and Beyond*. It will be an opportunity for everyone to understand expectations and consequences.

If you would like to contact me directly, parents and careers can email: headteacher@brunepark.gfmat.org.

I hope you all have a wonderful Easter break, I look forward to seeing you all again on 18 April.

Kerry Payne

Message from Headship Team

We are pleased that so many of you responded to our recent survey about the future of our school and what you would like to visit at a time that suits you. An open event to learn more about the development of the humanities block, 4G pitch and refurbished toilets is being organised as a result of your feedback.

We have listened to you wanting to learn more about who is who in the Brune Park Team. Each year office has included contact details in their newsletters and we have a site based leadership team that you can contact if you need further support.

Celebrating success has been a theme this term. Our 'Celebration Friday' initiative has recognised the positive achievements and hard work of our young people - we have celebrated 85 learners. Teachers have also been rewarding positive points on Arbor for learners displaying The GFM Way and Gosport Future skills. We are working with learners to plan how best to celebrate those who have earned the most points.

We strive to continue with our school improvement across all aspects. We are really proud of everything our teachers and students work as a team and continue to problem solve. Our key focus areas for next term include improving attendance, ensuring routines and developing adaptive (responsive) teaching to ensure all learners are supported and are successful.

We look forward to seeing you at the start of the next term and wish you all an enjoyable Easter break.
