Headteacher Weekly Summary

Headteacher
Kerry Payne

Dear parents and carers,

We are now rapidly approaching the festive period and with snow in the air the weather is also getting in the festive spirit! In school we have some exciting events coming up: Year 7 are off to the Pantomime (oh yes they are!); Wednesday 13th December we will be serving a hot Christmas lunch to the school and there will be an opportunity coming up for students to wear their Christmas jumpers and outfits in school whilst raising money for charity and our Year 11 prom. On the last day of term, Friday 15th December, we will be finishing at 12 noon. Students will be able to collect lunch ahead of leaving the school site.

An enormous thank you to the families that have attended our drop in sessions this week. We are keen to continue to share our progress with you and listen to any concerns as we endeavour to improve our school. Working with you is central to us achieving success at Brune Park, we are keen to hear if you would like us to communicate with you in a different way.

In lessons we have continued to work on making every second count. Students are expected to complete a do now task during the register and quickly move to the start of the lesson. This structure is supporting students to make better starts to the main learning and supports their retrieval of previous lessons. After Christmas we will continue to ensure all lessons have high expectations especially in the amount of work being produced in a lesson. We know our students are ready for the next challenge!
